RESOLUTION NO. 5627

HON. JUDY STREATCH: Mr. Speaker, I hereby give notice that on a future day I shall move the adoption of the following resolution:

Whereas Joseph Howe once said, "What is right? What is just? What is for the public good?", and based on that notion the Public Good Society of Dartmouth was founded in 2004 by people intent on working together and pooling resources to better address complex social issues facing the Dartmouth area; and

Whereas steering committee members and resource people include local community health board coordinators, a developer, an educator, an MLA from this House, two municipal councillors, Department of Community Services officials, a social policy analyst, and a non-profit board chairman; and

Whereas the Public Good Society of Dartmouth is in the midst of a project involving working with food bank consumers to connect information and services to individuals with high barriers to employment;

Therefore be it resolved that all members of this House commend the positive work being done by the society to improve coordination of community-based services delivered by the volunteer sector, and all levels of government, to make more efficient use of human and financial resources and to better serve Nova Scotians in need.

Mr. Speaker, I request waiver of notice.

MR. SPEAKER: There has been a request for waiver.

Is it agreed?

It is agreed.

Would all those in favour of the motion please say Aye. Contrary minded, Nay.
